

МБДОУ «Детский сад № 33 «Юбилейный»:

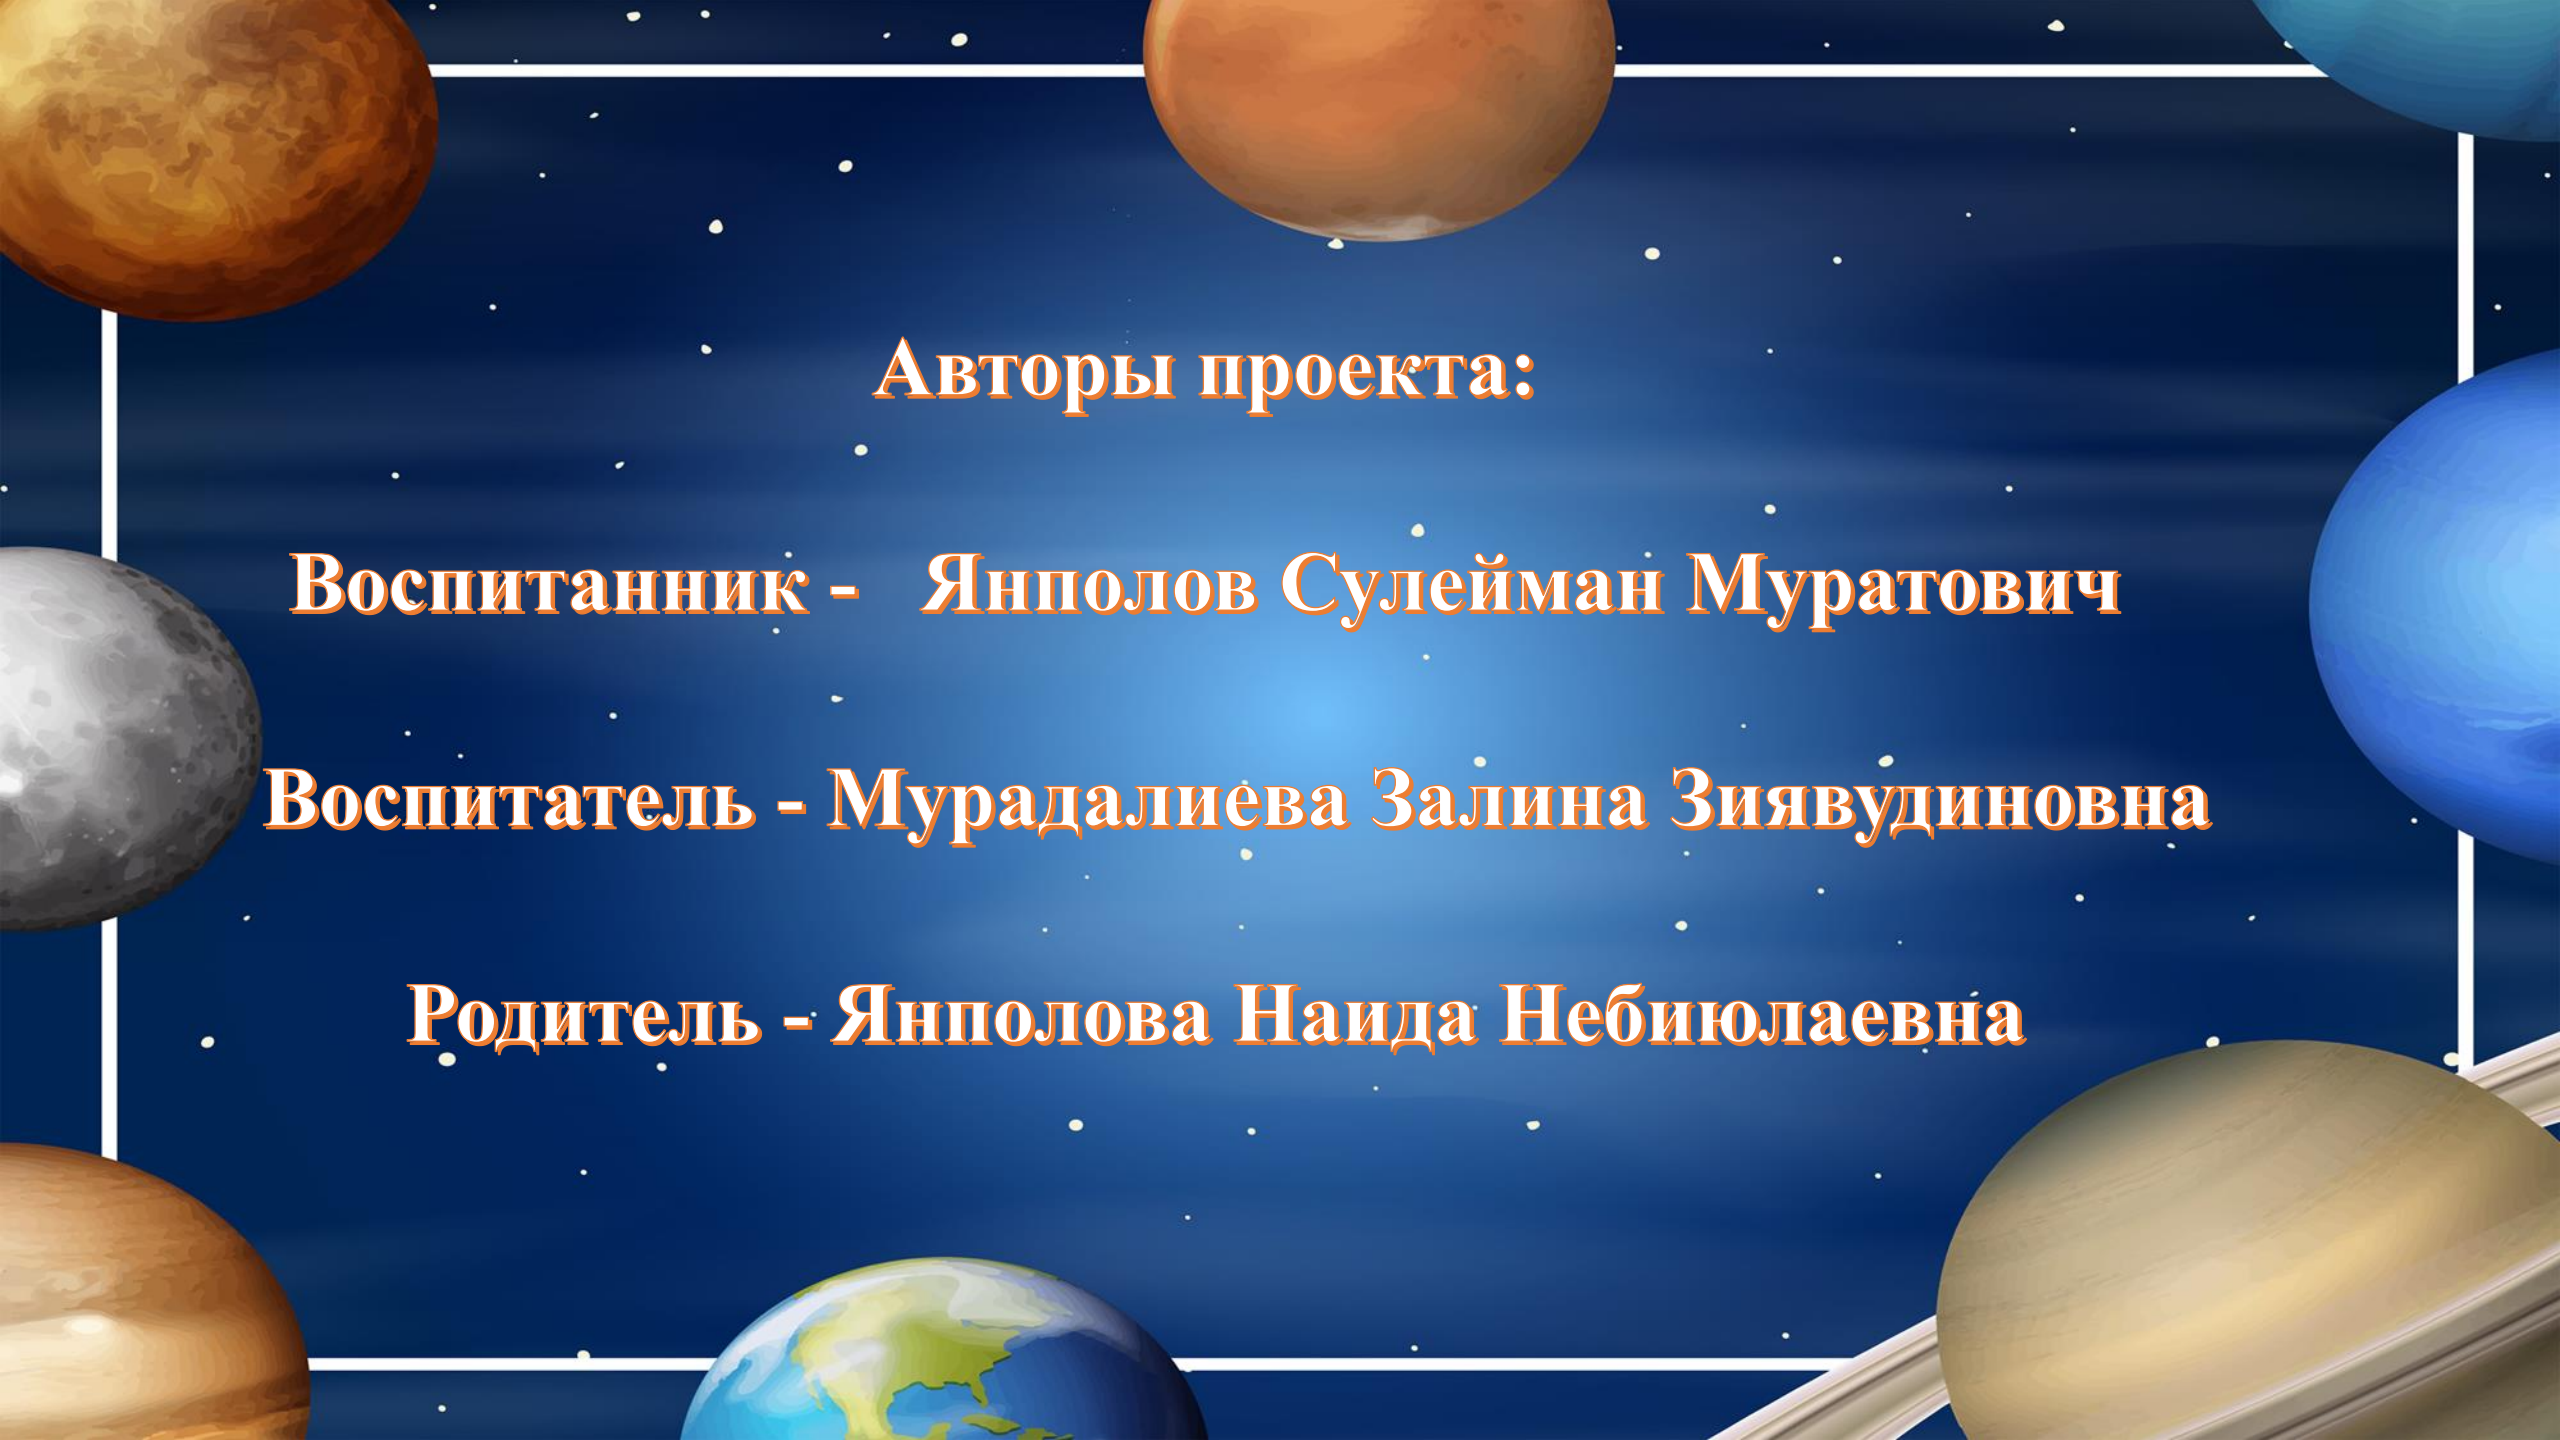

«Путешествие по солнечной системе»

Номинация: проект практико-
образовательной направленности

The background is a deep blue space filled with numerous small white stars. Several celestial bodies are visible: a large orange planet in the top left, a smaller orange planet in the top center, a blue planet in the top right, a grey cratered planet on the left, a blue planet on the right, a yellow planet with rings in the bottom right, and a small Earth-like planet with green continents and blue oceans in the bottom center. A white rectangular frame is partially visible, with lines on the left and top edges.

Без стремления к новому нет жизни,
нет развития, нет прогресса.

В.Г. Белинский.

The background is a deep blue space scene filled with white stars of varying sizes. Several planets are visible: a large orange planet in the top left, a smaller orange planet in the top center, a blue planet in the top right, a grey cratered planet on the left, a blue planet on the right, a yellow planet with rings in the bottom right, and a small Earth-like planet at the bottom center. A white grid pattern is overlaid on the background.

Авторы проекта:

Воспитанник - Янполов Сулейман Муратович

Воспитатель - Мурадалиева Залина Зиявудиновна

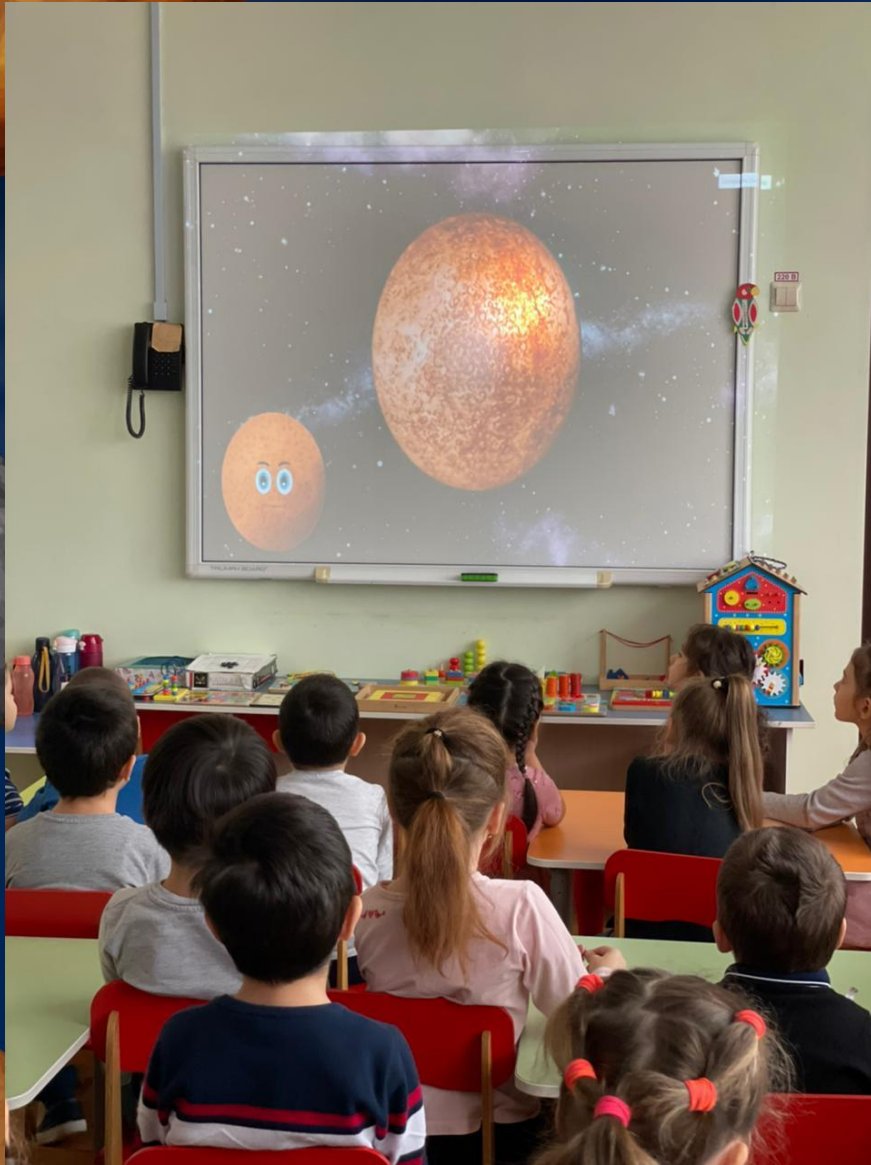

Родитель - Янполова Наида Небиюлаевна

Цель проекта:
создание интерактивной игры-викторины «Путешествие по Солнечной системе» участниками образовательных отношений и ее использование в совместной деятельности взрослых и детей.
