THE THEME OF OUR LESSON IS "WORK AND JOBS".

What are the differences between the words *Work and Jobs*?

The word **work** is more general than "**job**" – whereas "job" is a specific occupation/profession,
"work" refers to general efforts and activities done to accomplish a goal.
"Work" can be done both inside an official job and outside a job.

JUST ME

People often ask me
''What do you want to be?''
I don't know what to say.
My answer changes every day.
I'll be a pilot and fly through the sky.
I'll be a dancer and leap way up high.
I'll be a writer and write a great book.
I'll be a chef the world's greatest cook.
I'll be a sailor and sail on the sea.
I'll think for now that I'll be just me.
