A hand-drawn cartoon illustration of a pink rabbit, possibly a character from a children's show, holding a large wedge of Swiss cheese. The rabbit is depicted in a dynamic, slightly crouched pose, looking towards the viewer with large, expressive eyes. It has long, upright ears and a small, pink nose. The cheese is a bright yellow color with several dark, oval-shaped holes. The drawing is done with colored pencils or markers on a piece of lined paper. The rabbit's body is a light pink color, and its limbs are also pink. The background is a simple, light blue line pattern.
