The possible result	III (VI)	IV	V	I	VI (III)	II

WHAT IF...?

If I

- don't throw rubbish into rivers and seas
- save water and electricity
- help endangered animals
- walk and ride a bike
- use less paper

- there will be less extinct species
- the air will be cleaner
- I will save more trees
- there won't be water pollution
- I will save natural resources
