**You are going to give a talk about using the internet.
You will have to start in 2 min and speak for not
more than 1.5 min.**

Remember to say:

1

why people prefer browsing the internet
to watching TV or reading newspapers
and magazines

2

what you use the internet for

Homework:

Essay (*100-120 words)

1

Topic 1 - *What uses of the internet you cannot imagine your life without*

2

Topic 2 – *What new purposes you may use the internet in your future for*
